PART A – CHOICE ITEMS

ACTIVITY 1

Listen and match items 1a-5a with photos A-F. One photo is used in the example.

EX. *In our “Help Out” programme last year we did lots of exciting things. We collected lots of toys and games, and took big boxes of them to an orphanage.*

1a. *We helped with protecting our natural world by planting trees.*

2a. *And we collected lots of clothes to give to people who needed them.*

3a. *It was fun helping with the beach cleanup. We picked up so much rubbish on the beach and put it in plastic bags.*

4a. *We packed all kinds of foods in big boxes.*

5a. *And we also collected lots of books to give to schools that didn’t have many. We gave our old books, and hoped that other children would enjoy them as much as we did.*

ACTIVITY 2

Listen to items 6a-8a and choose the best answer (A-D). There is one answer you do not need.

6a. *Hi Mary! Just wanted to thank you for coming to the meeting yesterday. It was really good of you to give us so much of your time.*

7a. *Hey Paul, hope you're well! We're having a meeting next Thursday to talk about the new sports stadium. Can you come? We would really like to hear your ideas.*

8a. *Hey Beth, so sorry, but we're going to have to change the date of our meeting next week. I'm not sure when the new date will be, but I'll call you to tell you as soon as I know.*

ACTIVITY 3

Listen and choose the best answer (A, B, or C) for items 9a-10a.

9a. Conversation 1

A: *Hurry up, you're going to be late for work. Have you still not found it?*

B: *No, I've looked everywhere. I'm sure I remember putting it next to my bag after I rang Susie.*

A: *Have you tried calling it?*

B: *Yes, but I can't hear it. I think that it must be out of battery.*

A: *Did you put it with your keys?*

B: *Maybe – let me check.*

10a. Conversation 2

- A: Hey Jane! How are you planning to get home tonight?
B: Oh, I'll just catch the bus like I usually do.
A: Didn't you watch the news this morning? It looks like there won't be any buses after 15:00 today because there are some road works in the city centre.
B: Oh dear! Well, I guess I'll have to take the train and walk the rest of the way. Unless you could give me a lift?
A: Of course! Let me just shut down my computer.
B: Thanks, you are a star!

PART B - SHORT ANSWERS

ACTIVITY 1

Listen and fill in gaps 1b-5b with the right word, as in the example.

- EX. Now that we're moving to the new house, let's think about buying some new things. OK, let's start with the bedroom. This old thing is so uncomfortable to sleep on, and it's too small. We should get a really big one, with a better mattress..
- 1b. Now in the living room, what about this? It looks so old now, it's really uncomfortable to sit on, and I'd like a bigger one so that we can both sit on it and watch TV.
- 2b. And while we're here, let's throw this old one out and get one of those new ones with the really big screens, like 70 inches. Jessie's got one, and watching on that is like you are in the cinema.
- 3b. Right, let's go to the kitchen. I've been wanting to throw this out for years! It's not working properly, the food doesn't stay cold, and the freezer part isn't working. The new ones have ice makers.
- 4b. And what about this? It's so old, it burns all the food and I can't really cook anything properly in it. If we get a new one I'll start making lots of great things to eat!
- 5b. And we'll have a study in the new house, so let's get something good to work on, to put the computer on. I'll be working from home, so I need something proper, not just a table to work on.

ACTIVITY 2

Listen and fill in gaps 6b-10b with the right word, as in the example.

- EX: My job is all about children. It's not just about books and tests – it's about making learning fun for them. And knowing that you've helped someone learn something new is awesome.
- 6b. My job is all about capturing those special moments. Whether it's a wedding, a family party, or a beautiful sunset I'm there with my camera, ready to snap away.
- 7b. I love playing new roles, playing the part of someone else. And I love the atmosphere of the theatre. But I've also done films as well, and some TV parts.
- 8b. My job is very tiring, as you have to be on your feet all the time. You have to serve the food, clear the tables, take orders and make sure that the customers are happy with their food. But it's fun as well, and we get good money in tips when the restaurant is busy.
- 9b. Every time I step onto that stage, I love sharing my music and songs with the audience. I also record my songs, but being live in front of hundreds of people is amazing.
- 10b. I had to study for many years to get where I am now, but I love the job, really being able to help people who have problems with their health and see them get better. I think it's the most important job in the world – there's nothing more important than saving lives.
